## Multi-Purpose Cleaner

### Multi-Purpose Cleaner

The multipurpose concentrated product is suitable for individuals who want to save money by mixing a concentrated solution with water according to the recommended dilution ratio. It can be used in various ways, including cleaning surfaces, mopping floors, scrubbing, and removing stains. Choosing KERNIK products provides confidence and peace of mind.

### Technical properties:

Form	:	Liquid.
pH-value at 20 C	:	5.5-6.0
Oduor	:	Rosemary.
Colour	:	Clear.
Shelf life	:	24 months.

### Product Features:

#### Effective Cleaning:

The multipurpose household cleaner is specially formulated to remove dirt, grime, and grease from various surfaces. It provides efficient cleaning results, leaving surfaces clean and shiny.

#### Rosemary Essential Oil:

The cleaner is enriched with natural essential rosemary oil and offers a pleasant and refreshing aroma. The invigorating scent provides confidence and peace of mind.

#### Biodegradable:

The cleaner is formulated with biodegradable ingredients, minimizing its impact on the environment. It breaks down naturally over time, reducing its ecological footprint.

#### Safe for Kids:

The product is designed to be safe for use by children. It does not contain harsh chemicals or toxic ingredients, providing a clean and safe environment for kids to play.

#### Safe for Pets:

The multipurpose cleaner is also safe for use around pets. It is free from harmful substances that could potentially harm animals, ensuring their well-being and safety.

#### Mild to Skin:

The cleaner is formulated to be mild to the skin. It is gentle and non-irritating, making it suitable for individuals with sensitive skin or those prone to allergies.
